

Rivers of Praise MINISTRIES

March 2011

“I Know the Plans that I have for you...”

2011 is already shaping up to be a busy year. We began by leading worship at one of our favorite events, the [Life2Life](#) Marriage Retreat at Unicoi Lodge. It's always a great time of refreshment for us and encouragement for our own marriage as well.

We're looking forward to the Missions Conference during the first week of March at [Fellowship Bible Church](#), our home church in Roswell, GA. Missions Marketplace, an opportunity to find out about our ministry, will be on Sunday morning, March 6. If you're in the area, please come out and join us.

April 29-30 will once again find us “in prison” in Perry, GA with Bill Glass Champions for Life, providing entertainment and an opening for the gospel for those who are incarcerated. If you would like to join us there to share the gospel and speak truth and love into the lives of prisoners (“I was in prison and you visited me...” Mt. 25:46), you can find out more information and sign up [here](#).

Our BIG NEWS is that God has given us the “go ahead” for Music Camp in Rome, Italy *and* Worship For Youth! Rome Music Camp, schedule for June 20-24, already has a youth worship team in place. More information about that in future newsletters. We are planning to add a third day to Worship For Youth, October 28-30, as requested by many students.

Will you join us in prayer as we plan for the big challenges ahead that God has given us?
